

## Examination Schedule for Palliative Care

You have the flexibility to enrol in the Palliative Care course at your convenience, simply by paying the fee and filling out an online application form. Within 5 working days of completing these steps, you will receive your user credentials and can begin the course. We have pre-determined examination dates, allowing you to plan your module completion accordingly and inform us about your intention to take the exam. On the specified dates, the final exit examination will take place, and we will provide you with the necessary link and details to participate.

Please note:

- The assessment must be taken through the laptop/ desktop using Google Chrome. Advise not to take the test through mobile phones.
- If in case any queries and any technical problem feel free to contact us.
- Kindly open the given link and then click on sign in and put your username i.e. email address and password.
- There is no negative marking
- It's an open book examination so we have disabled the go back option, it means that once answered you can't change it or go back to the previous question.
- In case you feel there are more than one option which is correct then please select the most appropriate one.
- Lastly after submission, a message will appear. Thanks for participation i.e. it is recorded in our server and it will take 7 working days to fetch the result so the result will not be available just after the examination.
- NSF provides scholarships for PG students and NGO workers. **Contact us to know more**
